

The Club voted to make fresh sausage for Easter. Last year we made regular, garlic and hot. We are checking to see if we can make it at Queen of Martyr's on a Saturday in April. When we get a date it will be announced. We will need around 20 people. If you have never made it before now is a great time to learn. You do not have to be a member to help and workers will get a discount. Last year we sold it for \$5 a pound and those who worked all day got it for a dollar less per pound. If the price of pork has not risen we may be able to keep the price the same this year. We will take orders at the March meeting. Sausage must be picked up the day it is made at Queen of Martys probably between 2-4 p.m. Cash or check. Phone orders taken the month of March only! 937-776-5944
